

**ALTHOUGH NOT ALL HEROES  
WEAR CAPES, YOUR  
GLH HEALTHCARE  
HEROES ARE NOW  
ALL ADVISED  
TO WEAR  
MASKS!**

**The Mississippi State Department of Health now recommends that all healthcare workers wear masks throughout the day. This includes those who do not come into direct contact with patients. Given the shortage of surgical masks, hand-sewn cloth masks can be used.**

**We are reaching out to our community to request hand-sewn masks for our Greenwood Leflore Hospital healthcare heroes. Your donation of masks can be dropped off with Gwen Neal at the front entrance of the hospital between 7 a.m. and 7 p.m. Monday through Friday.**
