

# **Kilmichael Clinic, Lexington Primary Care Clinic and Sumner Clinic Are Permanently Closed**

**Due to the recent COVID-19 event and the financial effects, Kilmichael Clinic, Lexington Primary Care Clinic and Sumner Clinic will not be reopening. The decision to close the clinics was not an easy one, but we appreciate you allowing our providers to meet your medical needs. Thank you for being our loyal customer.**

## **For medication refills:**

**Patients of Kilmichael Clinic:** Please contact Leslie Pearson, NP at **662-451-7881** until **July 31, 2020**.

After **July 31, 2020**, you will need to obtain medical care elsewhere.

**Patients of Lexington Primary Care Clinic:** Please contact Sabrina Matthews, NP at **662-453-1852** until **July 31, 2020**.

After **July 31, 2020**, you will need to obtain medical care elsewhere.

**Patients of Sumner Clinic:** At this time it will be necessary for you to transfer your care to another healthcare provider or continue with the provider at the Itta Bena Clinic. We will continue to provide you with any necessary medication refills until **July 31, 2020**. After **July 31, 2020**, you will need to obtain medical care elsewhere if you choose to do so.

## **For medical records:**

Please call the Medical Records Department at **662-459-2609** to make arrangements to transfer your records.
