

HERE'S HOW YOU CAN HELP US HELP YOU.

We are accepting all types of insurance.

You all know the financial difficulties that Greenwood Leflore Hospital is facing, and many of you have reached out to see how you can help. One of the best ways for now to benefit the overall health of GLH will actually be good for your health as well.

Many of GLH's service lines are still open and carrying out important work. These departments are staffed with highly qualified and dedicated employees who are here to take care of you and your family.

If you need any of the following specialties or diagnostic testing, please consider what this means for the future of GLH, and talk to your provider about keeping your healthcare services local.

- + Cardiology
- + Emergency
- + Family Medicine
- + Gastroenterology/Endoscopy
- + Laboratory Testing

- + Neurology
- + Outpatient Cardiopulmonary Diagnostic Testing (EKG, Pulmonary Function Test, Echocardiogram, EEG, Stress Test, Holter Monitor)
- + Outpatient Infusion Services
- + Outpatient Radiology Diagnostic Testing (Mammogram, Bone Density Scan, MRI, CT, PET Scan, Ultrasound, Nuclear Medicine, X-ray)
- + Outpatient Surgery (General, Vascular, Orthopedic)
- + Podiatry
- + Radiation Oncology
- + Rehabilitation (Physical, Occupational, Speech, Cardiac)
- + Wound Care

The heart of a community is its hospital and its health depends on how you take care of it, the same way we intend to take care of you—now and into the future.

Greenwood Leflore Hospital
The right care at the right time
