

COVID CLINIC UPDATE

Clinic Permanently Closed

REVISED
11-4-22

In light of the current financial situation at Greenwood Leflore Hospital, the decision has been made to reduce a variety of services. This is to inform you that the **COVID Clinic** for testing and vaccination will be permanently **closing effective November 4, 2022.**

COVID vaccinations can be administered at your local pharmacies.

This is the clinic that was located at **1509 Strong Avenue**, across from the Emergency Department.
